STAFDA – Student Application Essay

Prompt: What are your professional aspirations and goals for the next five years?

My professional aspirations over the course of the next five years are first and foremost, to graduate from Texas A&M University. Upon graduation in May 2024, I plan to start a full-time career with the primary objective being to further learn business operations, business ownership, and business startup techniques. During my time learning and observing these business strategies, I plan to begin working on the acquisition of my first LLC. Within the next five years I plan on creating a LLC, and starting or acquiring my first small business.
